For Friday, Dec. 11, 1998

ARIES (March 21 to April 19) You find it particularly easy to move from one side of an issue to another.

TAURUS (April 20 to May 20) The image you present must be very strong, for it will influence people's opinion of you.

GEMINI (May 21 to June 20) The only thing that appeals very much to you is the prospect of a romantic engagement.

CANCER (June 21 to July 22) Other people do not deserve your anger, they were not responsible for the sudden change.

LEO (July 23 to Aug. 22) Golden opportunities abound, every conversation brings new possibilities.

VIRGO (Aug. 23 to Sept. 22) Do some research before you spend any money. Spunking may be within your means, but you must make sure you are buying the right thing.

LIBRA (Sept. 23 to Oct. 22) Your personal touch adds a brilliant sheen to everything within your domain.

SCORPIO (Oct. 23 to Nov. 21) Remain in the company of close friends and family.

SAGITTARIUS (Nov. 22 to Dec. 21) Take advantage of the spotlight; make connections with the ones who can help you.

CAPRICORN (Dec. 22 to Jan. 19) Seemingly insignificant gestures have repercussions that you never could have predicted.

AQUARIUS (Jan. 20 to Feb. 18) You find yourself in an intense, thrilling discussion about the way the universe works.

PISCES (Feb. 19 to March 20) Questions about relationships, equality and justice must be considered at this time.
